

NanoDays
The Biggest Event
for the
Smallest Science!

Try this!

1. Have a friend stand a few feet in front of you. Hold up this card and align your friend's face with the cutout.
2. Imagine your friend as a future nanoscientist! If you have a camera (or phone with a camera), take a picture!

Tip: To keep things in focus, you may need to hold your arm straight out and have your friend move further back away from you.
