# ENGAGING GIRLS

*at NanoDays*

## Exploring Products—Nano Fabric

### MAKE IT PERSONAL

- Invite visitors to **imagine** other places in their lives where nano fabric might be useful (such as a table cloth, on couches, or as carpet).

### TELL A STORY

- Tell a **funny story** (real or made up) about a time when nano fabric could have saved you from staining your clothing, carpet, furniture, or similar. Be careful to use inclusive language and not give examples that reinforce stereotypical gender roles (i.e., a wife washing her husband's clothing).
