

NanoDays 2015 Report

Part 1: NanoDays Report - page 1

Thank you for participating in NanoDays!

We ask that partners hosting NanoDays events report back to the Network about your experiences through this online survey. This survey contains questions about your NanoDays 2015 event to help us understand the kinds of events our partners host and how NanoDays materials are used. As part of your application to receive a 2015 physical kit, you committed to this reporting requirement.

The reporting deadline for NanoDays is May 1. Once you complete the report (on time!) your name will be entered into a drawing for educational materials to use with your visitors. Two drawings will be made, and winners will be notified in late May.

Important Information About Filling Out the Report:

The report takes approximately 15-20 minutes to complete. Please note that it is NOT possible to save your work in the SurveyGizmo online form and return for additional edits. Reports left idle for too long will go blank when you progress to the next screen. Please plan to complete the online report in one session. You may want to write your responses in a Word doc, save, and then cut and paste that information into this report; you may [download in Word Document format here](#) or [download PDF format here](#).

If you have any questions about this survey, please contact KC Miller at kcmiller@smm.org.

Part 1: NanoDays Report - page 2

Your answers to these questions will help us understand the kinds of events that our partners host and how NanoDays materials are used.

If you held multiple NanoDays events this year, please include information on all of them. You don't need to fill out a report if you collaborated on another organization's event and they are filling out a report.

1. Please enter your contact information

First Name *

Last Name *

Job Title

Institution *

Address 1

Address 2

City/Town *

State *

Country

Email Address *

Please confirm your institution in the pull-down selection below. Organizations are listed alphabetically by state, city, and then organization. If your institution is not listed, choose "Other" at the top of the list.

-- Please Select --

Please confirm your institution in the pull-down selection below. Organizations are listed alphabetically by state, city, and then organization. If your institution is not listed, choose "Other" at the top of the list.

-- Please Select --

2. Did you receive a physical kit for NanoDays 2015? *

- Yes
 No
-

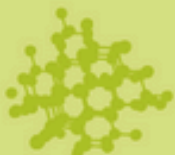

3. Did you host a NanoDays event? *

- Yes
 No

4. Collaboration:

Did you collaborate with other organizations on your NanoDays event? *

- Yes
- No
-

5. Your Event Location:

Please select the location that best describes where you held your NanoDays event(s).

Please check all that apply.

- at a museum or science center
- at a university or college
- other - please describe
-

6. Your Event:

Please briefly describe your NanoDays. *

Include the types of activities you offered, either from the NanoDays kit or from another source, and how you worked with any collaborators. (Maximum: 200 words.)

Words used: 0 out of 200.

7. Audiences:

Please describe the types of audiences you intended to reach during NanoDays.

8. Attendance:

Approximately how many people attended your NanoDays event(s)?

Please estimate the total number of people you reached. If you held multiple types of events (lectures, hands-on activities, exhibits) or held events over multiple days, please try to estimate the overall attendance.

(Please enter numbers only.)

9. Attendance:

Please briefly describe how you came up with your attendance estimate. (Limit: 100 words)

Words used: 0 out of 100.

10. Volunteers:

Please describe the volunteers that support your NanoDays events (including planning, logistics, presenting, and delivering hands-on activities).

Please check all that apply.

- N/A we did not have any volunteers at our event
- high school students
- undergraduate college students
- graduate students
- preK-12 education professionals (teacher, administrator, etc.)
- museum/informal learning education professionals (educators, program developers, etc.)
- science outreach professionals at a college or university
- scientists/engineers/professors at a college or university
- scientists/engineers from industry
- family and/or friends of event organizer(s) and staff
- volunteers from our existing volunteer pool
- other - please describe

11. Number of Volunteers:

Approximately how many volunteers did you have at your NanoDays event(s)?

Please estimate the total number of volunteers at your event. If you held multiple types of events (lectures, hands-on activities, exhibits) or held events over multiple days, please try to estimate the overall number of volunteers.

(Please enter numbers only.)

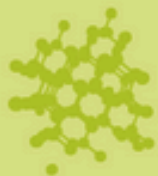

12. Impact:

Please describe the overall impact NanoDays events and kits have had on your organization.

(Maximum: 1,000 words.)

Words used: 0 out of 1000.

13. Your Event:

Which of these types of activities and experiences took place at your NanoDays event(s)?

	Yes	No
Short hands-on activities and demos	<input type="radio"/>	<input type="radio"/>
Longer educational program(s)	<input type="radio"/>	<input type="radio"/>
Guest speaker(s) or lecture(s)	<input type="radio"/>	<input type="radio"/>
Stage presentation(s)	<input type="radio"/>	<input type="radio"/>
Museum theater	<input type="radio"/>	<input type="radio"/>
Videos and media	<input type="radio"/>	<input type="radio"/>
Exhibit(s)	<input type="radio"/>	<input type="radio"/>
Posters or displays	<input type="radio"/>	<input type="radio"/>
Science cafe(s)	<input type="radio"/>	<input type="radio"/>
Forums (scientist and public dialogue and deliberation)	<input type="radio"/>	<input type="radio"/>
Lab tour(s)	<input type="radio"/>	<input type="radio"/>

14. Educational Materials:

Did you use any of the following educational materials NOT INCLUDED in this year's NanoDays kit?

	Yes	No
Activities and materials from past NanoDays kits	<input type="radio"/>	<input type="radio"/>
Activities from the NISE Network website	<input type="radio"/>	<input type="radio"/>
Other activities you or your collaborators created	<input type="radio"/>	<input type="radio"/>
Activities from other sources	<input type="radio"/>	<input type="radio"/>

15. Spanish:

Did you use any of the following Spanish-language materials from this year's NanoDays kit?

	Yes	No
Spanish-language educational materials (e.g. "Exploring" hands-on activities, programs, or videos)	<input type="radio"/>	<input type="radio"/>
Spanish-language marketing materials (banners, ads, posters, or press release)	<input type="radio"/>	<input type="radio"/>

16. Training Materials:

Did you use any of the following training materials from this year's NanoDays kit?

	Yes	No
NanoDays training videos	<input type="radio"/>	<input type="radio"/>
Orientation materials (such as NanoDays orientation slides or Nano 101 slides)	<input type="radio"/>	<input type="radio"/>
One-page tip sheets (such as Tips for visitor conversations or Tips for engaging visitors)	<input type="radio"/>	<input type="radio"/>
Engaging the Public in Nano Key Concepts (content map)	<input type="radio"/>	<input type="radio"/>
Guides (such as the NanoDays Planning Guide , the Team-Based Inquiry Guide , the Guide to Building Partnerships Between Science Museums and University-Based Research Centers , or the Nano and Society Guide)	<input type="radio"/>	<input type="radio"/>

17. Future use of your NanoDays kit

How do you plan to use your NanoDays kit materials outside of the yearly NanoDays event?

(Maximum: 200 words.)

Words used: 0 out of 200.

NanoDays 2015 Report

Thank You!

Thank you for taking the time to answer these questions! Your feedback is important to us.

Your 2015 NanoDays report is now complete. You should receive an automated email from KC Miller of the Science Museum of Minnesota (kcmiller@smm.org) with a PDF of your completed report attached; you may need to check your email spam filter for the automated email.

As a special thank you for filling out the report by May 1st, your name will be entered into a drawing for educational materials to use with your visitors. Two drawings will be made, and winners will be notified in late May.

If you have any questions about this report, please contact KC Miller at kcmiller@smm.org

If you had any problems with the kit or issues you'd like us to address directly, please email nanodays@nisenet.org.
