

TBI Brown Bag

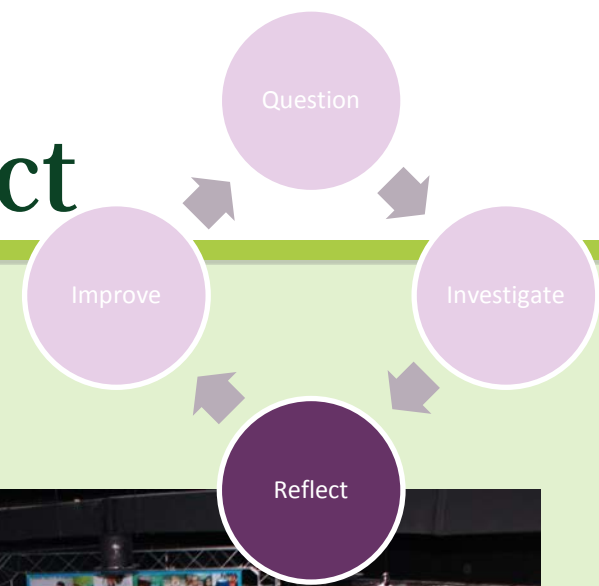

Bootheel Youth Museum, Inc.

BYM Nano Exhibit Project

Project Background:

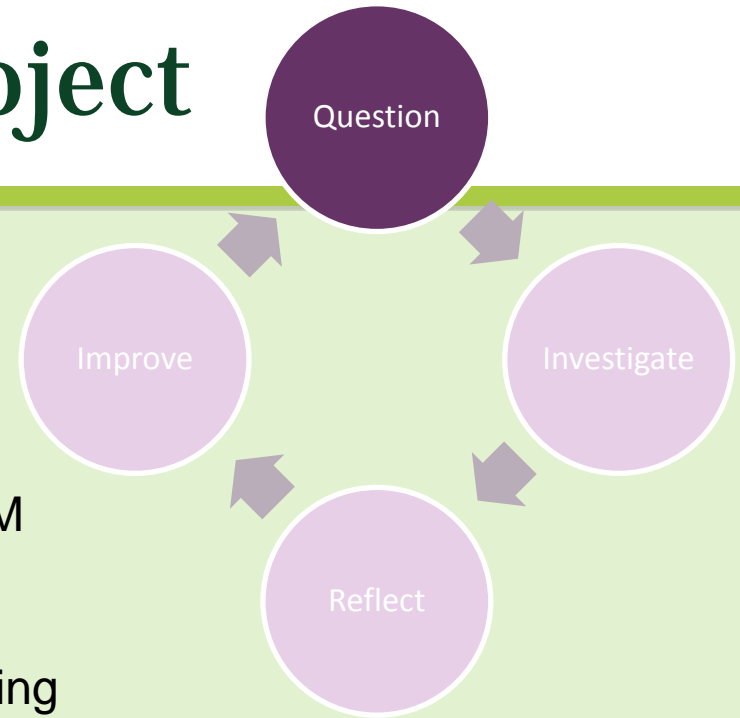

We TBI'd the renovation of the exhibit hall which is the permanent home of a Nano Mini Exhibit.

BYM Nano Exhibit Project

TBI Questions:

- 1). What current issues/concerns/? does the BYM need to address.
- 2). Which museum issues can be addressed during the remodel and installation of the NISEnet Nano Exhibit?
- 3). Did we fix/solve any of these issues?
- 4). Did our efforts stand up to NISEnet quality?

BYM Nano Exhibit Project

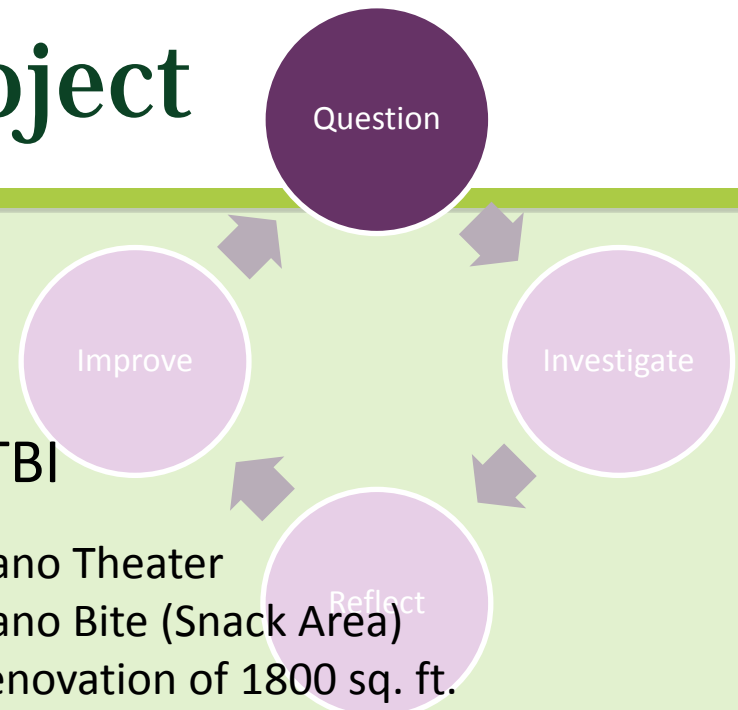

What was to What is:

Previous Planned Project

- Name change to our mini theater:
- New carpet and paint for Nano Exhibit.
- Signage for Nano

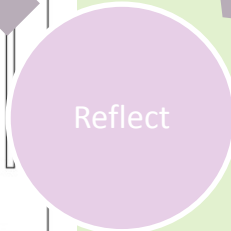

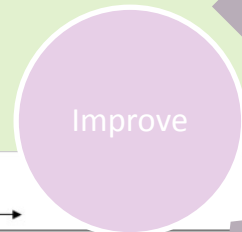

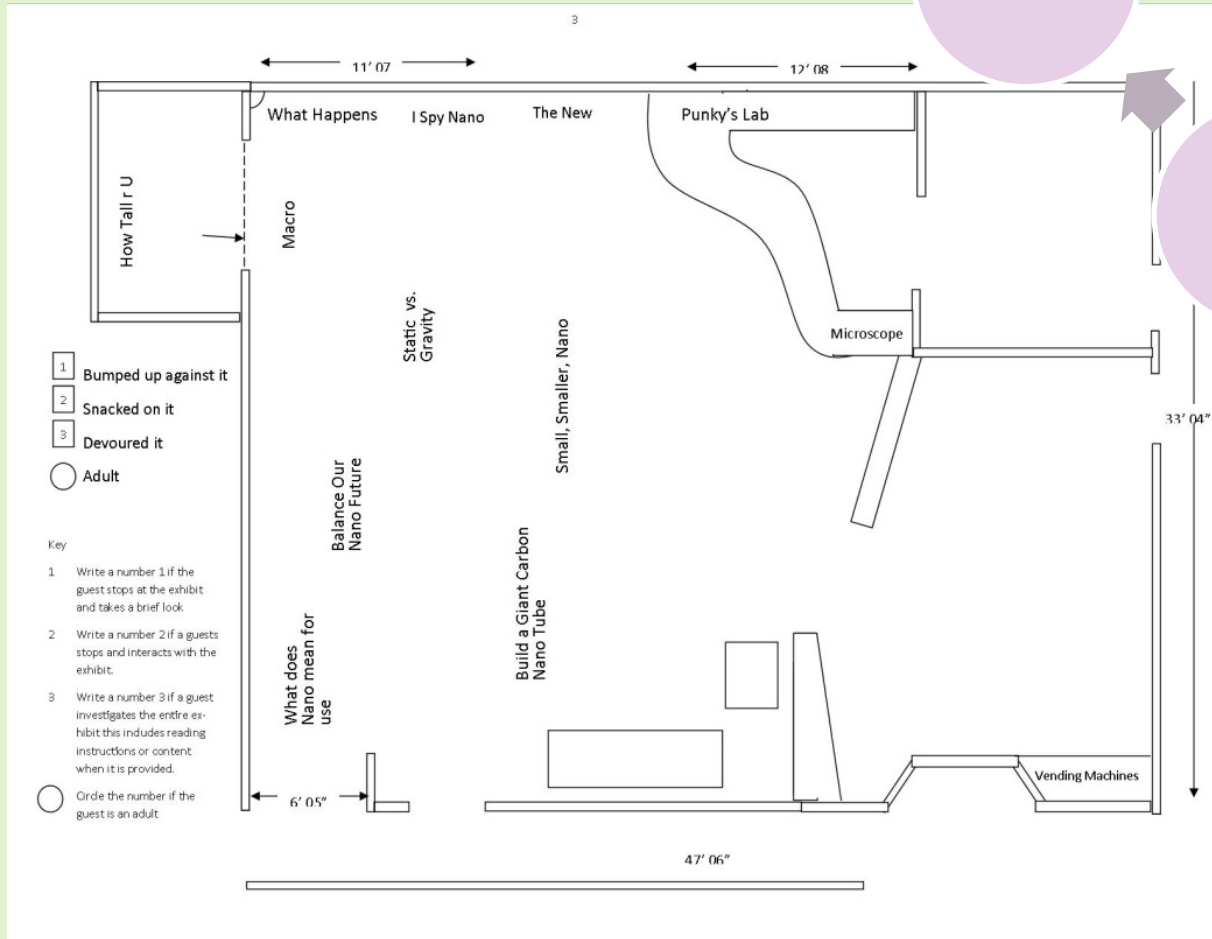

Post TBI

- Nano Theater
- Nano Bite (Snack Area)
- Renovation of 1800 sq. ft.
- Punky's Lab (staffed 5 days a week, required a change of staff job description)
- Museum signage/Nano Exhibit Signage
- Three additional exhibits:
 - What is Micro?
 - What is Macro?
 - What is Nano about Boll Weevil Eradication?

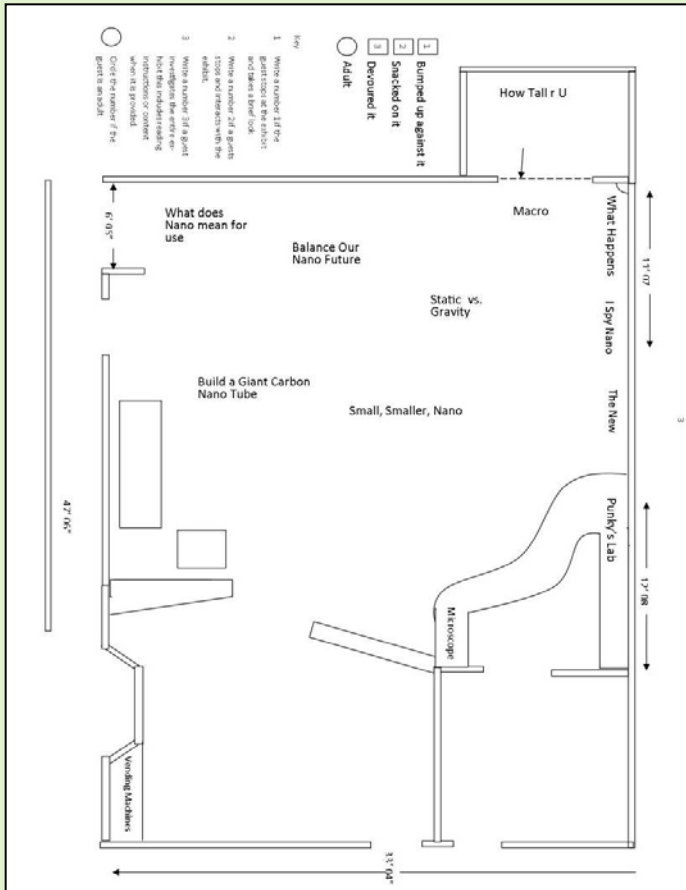

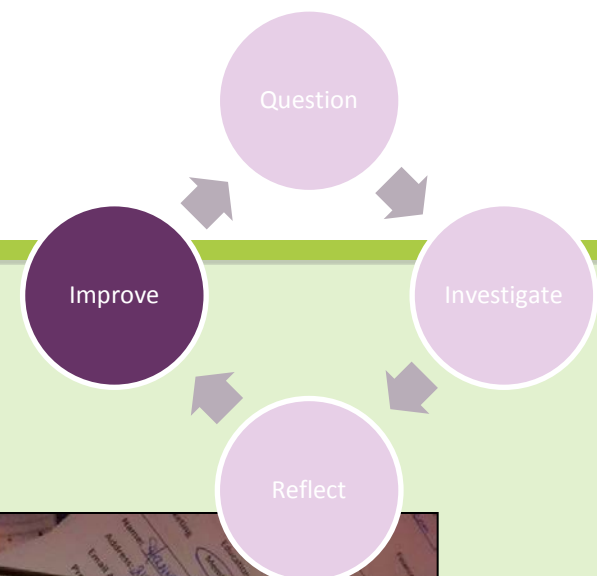

TBI Instrument

Exhibit Observation Map

TBI Instrument

Map was created with exhibit names to help the observer who may or may not be familiar with the exhibit or its location

TBI Instrument

<input type="checkbox"/> 1	Bumped up against it
<input type="checkbox"/> 2	Snacked on it
<input type="checkbox"/> 3	Devoured it
<input type="radio"/>	Adult

Key

1 Write a number 1 if the guest stops at the exhibit and takes a brief look

2 Write a number 2 if a guests stops and interacts with the exhibit.

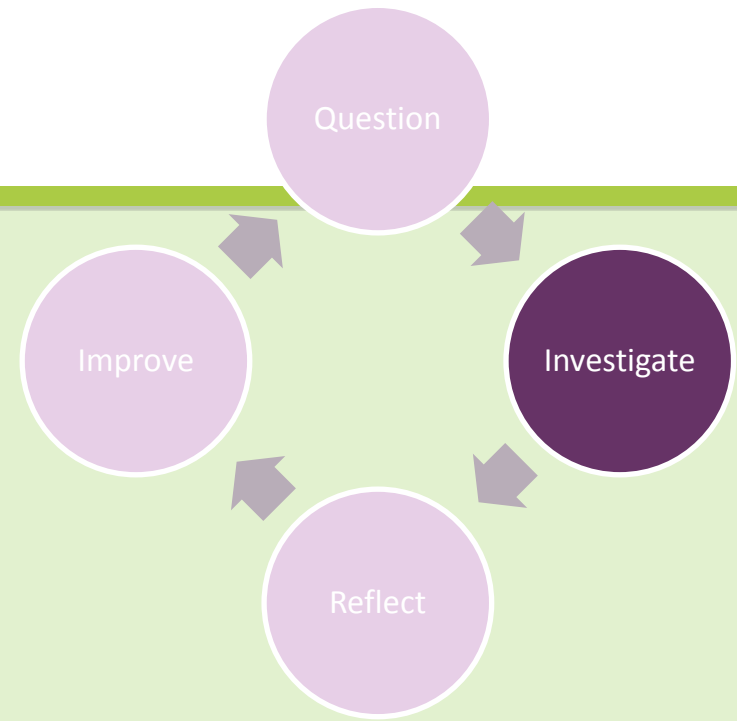

3 Write a number 3 if a guest investigates the entire exhibit this includes reading instructions or content when it is provided.

Circle the number if the guest is an adult

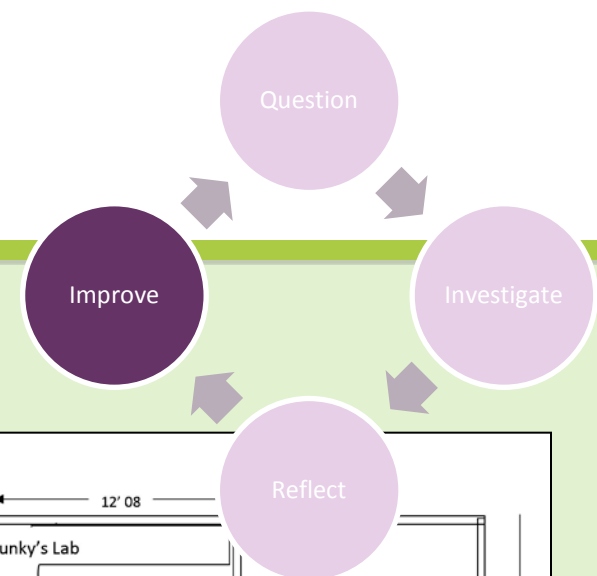

Balance Our Nano Future

What does Nano mean for use

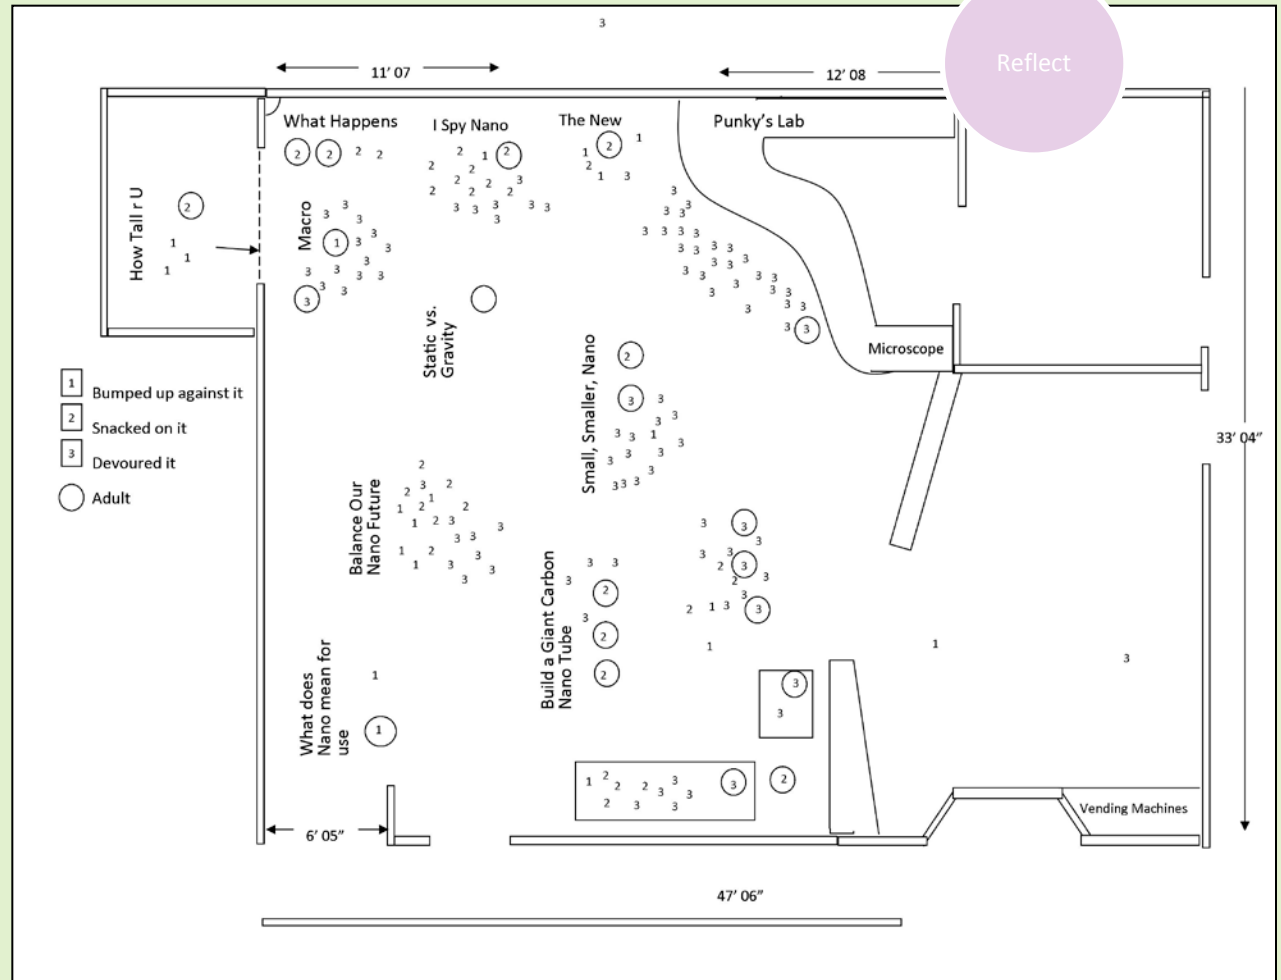

6' 05"

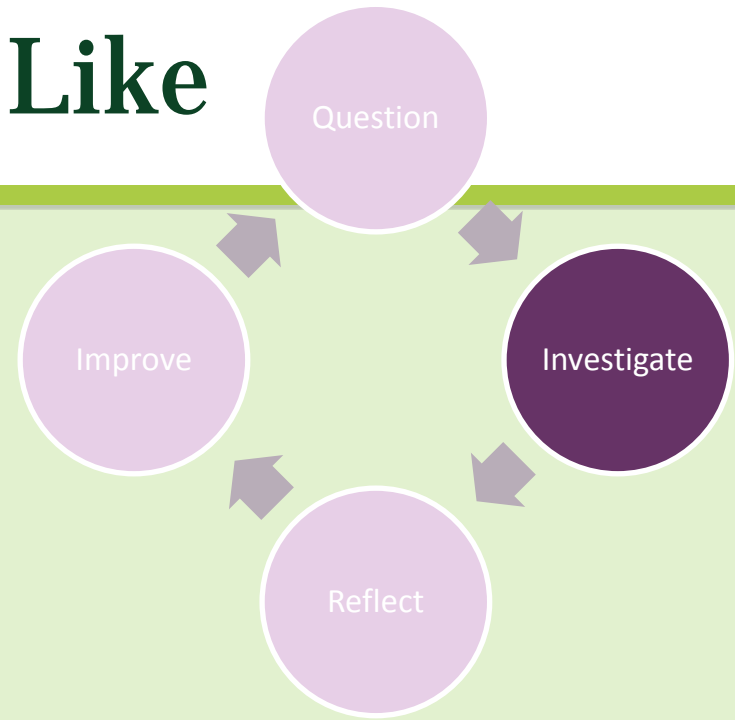

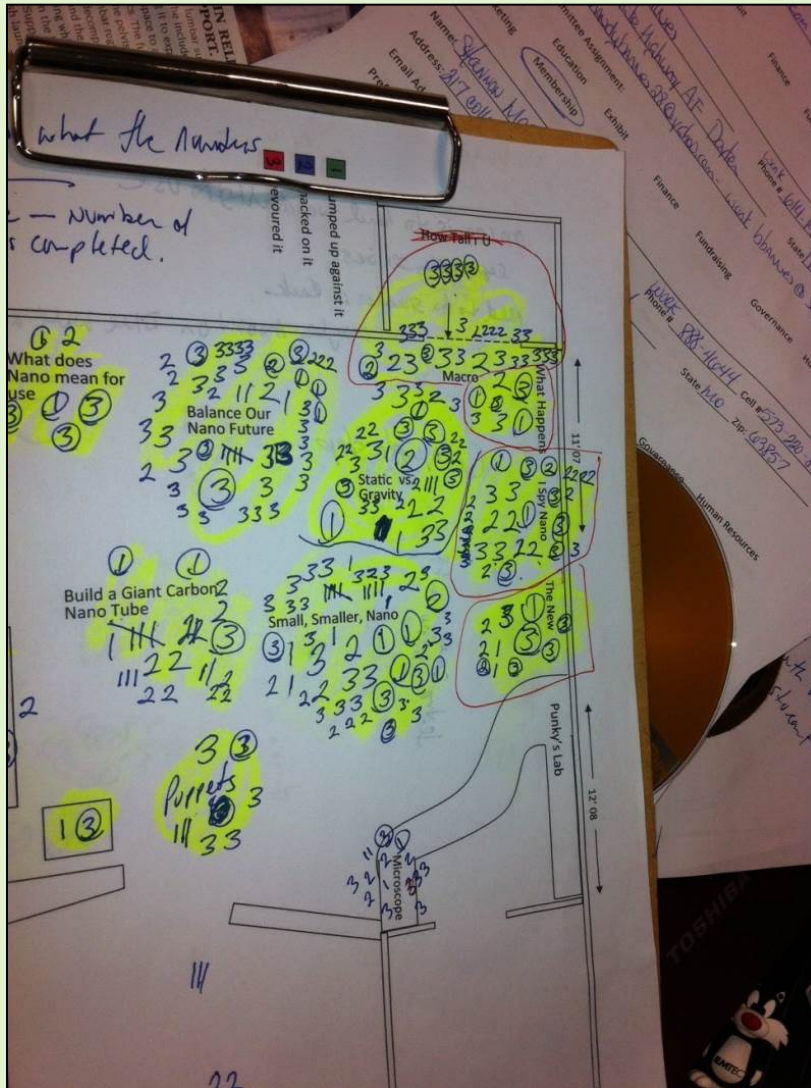

Data Collection

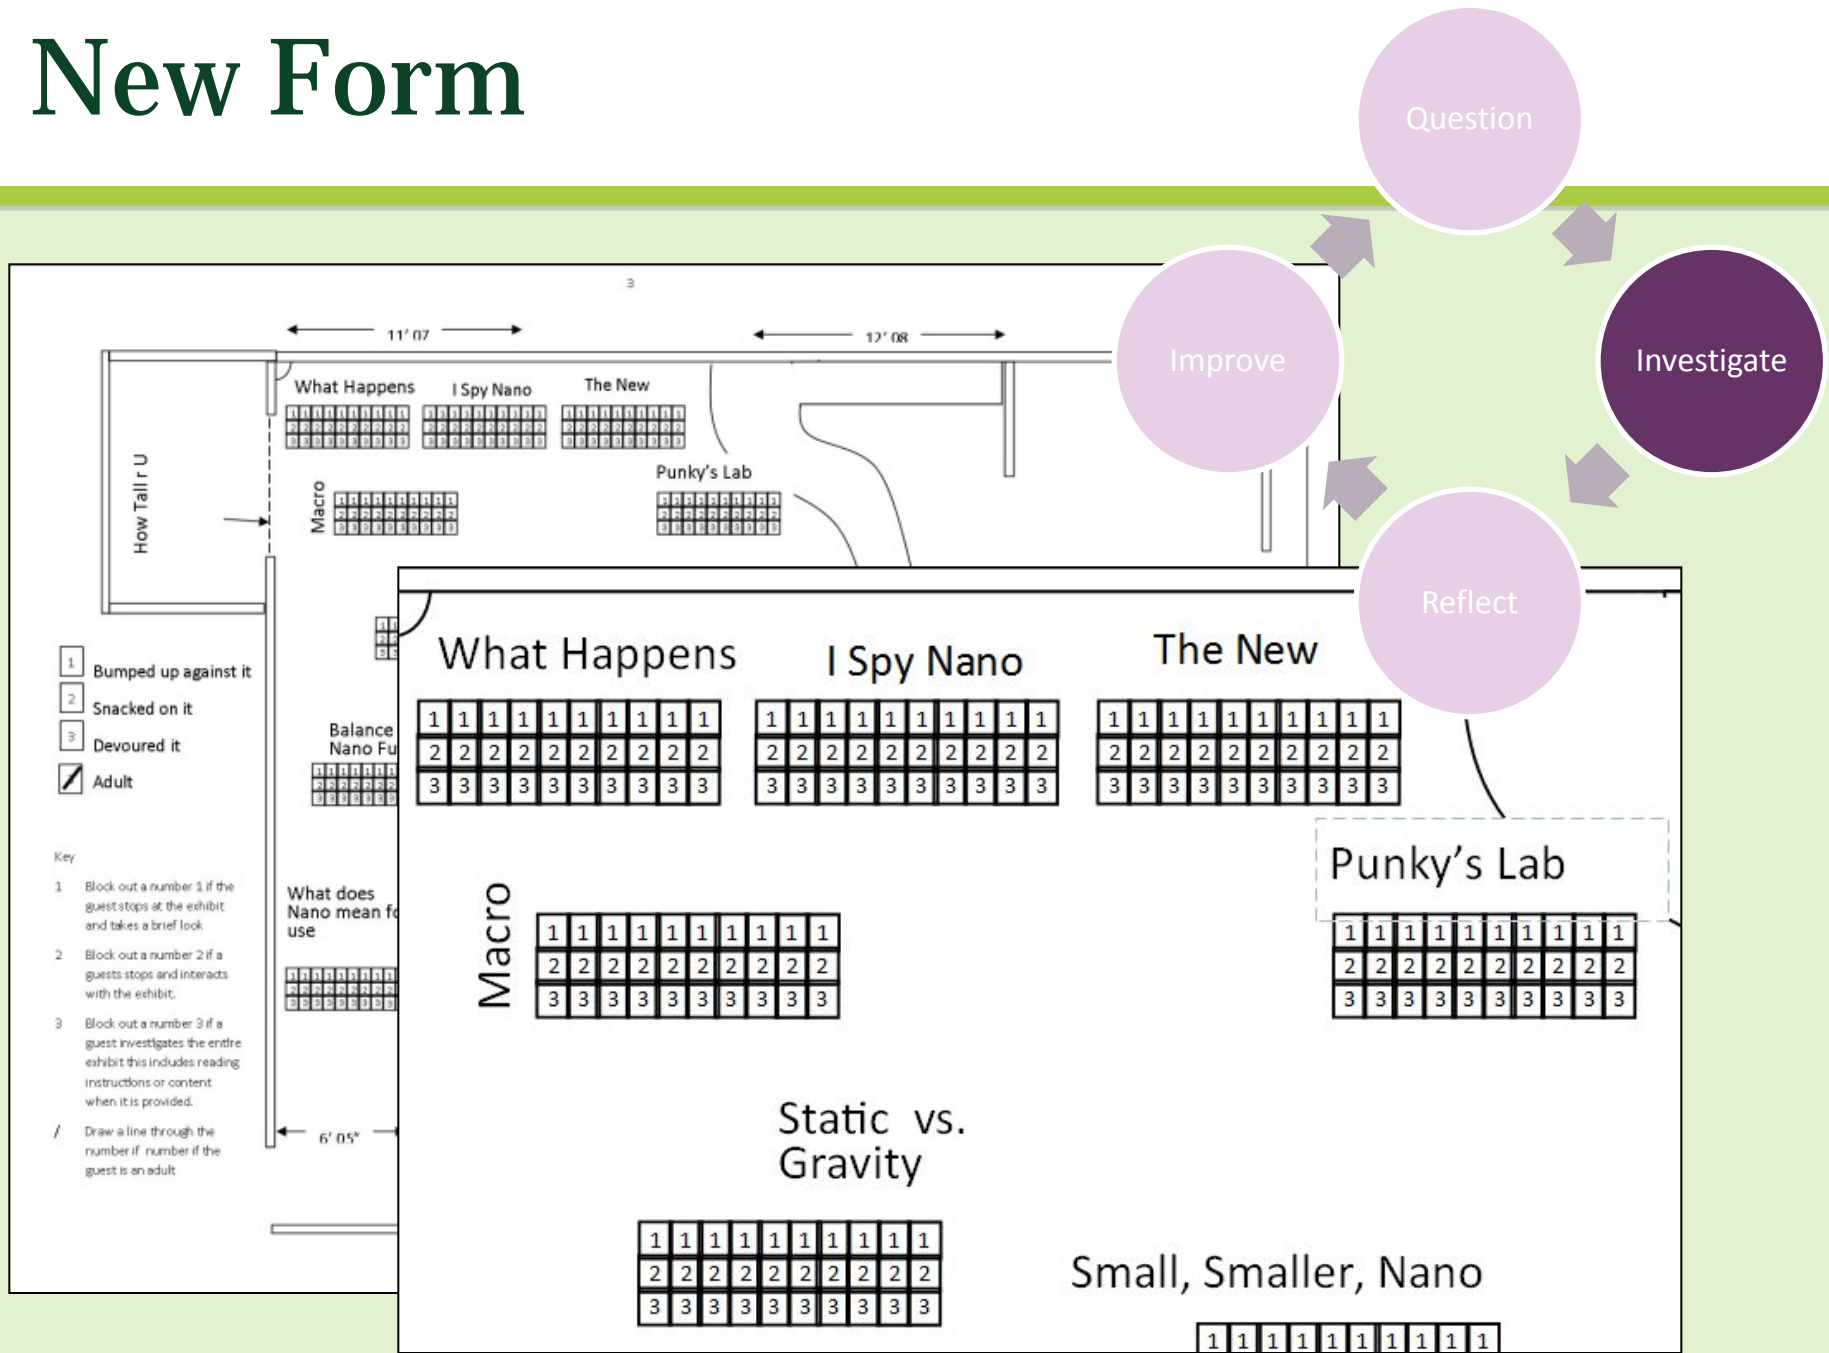

This observation represents a focus field trip from Malden 2nd Grade Summer School Group. Group consisted of 27 children and 4 adults
