

Wavetown Identification Key

This identification key contains all the radio devices found in Wavetown. Suggested use categories are also provided for further context:

Communications, Monitoring, Sensors, Remote control, Navigation, Secure transfers, and Safety.

These categories can help provide context to participants while searching Wavetown, or serve as the basis for challenges to find radio devices with similar functions.

Wavetown Radio Technology	Category
1. radio tower	Communications
2. weather balloon	Monitoring, Sensors
3. smart sprinkler	Remote control
4. self-driving car sensors	Remote control, Monitoring, Sensors
5. cell tower	Communications
6. radio tracker on bird	Monitoring, Sensors
7. walkie-talkie	Communications
8. Bluetooth headphones	Communications
9. contactless payment with phone	Communications, Secure transfers
10. contactless payment with RFID	Communications, Secure transfers
11. radio playing music	Communications
12. bus with onboard Wi-Fi	Communications
13. bus stop with digital display	Communications
14. tsunami detection buoy	Navigation, Safety
15. avionics navigation system	Navigation, Safety
16. maritime traffic control	Navigation, Safety
17. fitness tracker	Monitoring, Sensors
18. remote control toys	Remote control
19. delivery truck with GPS	Navigation, Monitoring
20. metal detector	Sensors

Wavetown Radio Technology	Category
21. Wi-Fi doorbell camera	Monitoring, Communications
22. sleeping baby monitor	Monitoring
23. walkie-talkie	Communications
24. autonomous delivery bot	Monitoring, Sensors, Navigation
25. video call with friends	Communications
26. influencer sharing a selfie	Communications
27. satellite TV dish	Communications
28. smart toilet	Monitoring
29. drone delivery	Remote control, Sensors, Navigation
30. red-light camera	Monitoring
31. ranger station radio	Communications, Safety
32. satellite truck for TV news	Communications
33. mobile radio in fire truck	Communications, Safety
34. cell tower	Communications
35. radio aids for field trip	Communications
36. airport surveillance radar	Monitoring, Navigation, Safety
37. TV with rabbit ear antennas	Communications
38. TV news broadcast	Communications
